Dear Mr. Garrison.

May receive
my cordial thanks for the
copy of the "Journal" containing
your Spanish letter: -
for the excellent judgment
as to the situation, & for the
kind thought of sending

Lending me a copy.

I have been hoping to be able to come the Highlands where you dwell for a long time, but many domestic cares & duties, especially since my brother's death, have kept me here. My living brother's condition remains essentially the same.

Have you begun the history of the Cause?

(Confessional & Political &
Moral Lectures, & the
Mémoires from Service, of

Trusting since I hear

all is well with the various
Members of your family,
to any & all of whom

My cordial regards as Affection-

I am

Dear Mr. Garrison,

Always yours

obedient & affectionate
